Dear Sir,

Greetings for the day !

It gives me immense pleasure to introduce to you, Maharashtra State Board of Technical Education (MSBTE) which is an autonomous board of Govt. of Maharashtra with a mandate to regulate the education at diploma level of engineering & technology courses in the state of Maharashtra.

MSBTE is in the process of revision of curriculum of engineering diploma programmes on "Outcome Base Education" pattern as per guidelines of NBA (National Board of Accreditation) of AICTE. The work of revision of curriculum is being done under the expert guidance of the National Institute of Technical Teacher's Training & Research (NITTTR) Bhopal.

The draft structures of different programmes are prepared by MSBTE on the basis of feedback form industries, pass-out students and teaching faculties. These draft structures are available on web site of MSBTE. Industries being the destination for engineering diploma holders either for employment or for entrepreneurial ventures, the suggestions from industries are vital for making realistic curriculum.

On this background, you are requested to spare some of your valuable time to give your vital suggestions on the draft structures of various diploma programmes prepared by MSBTE. Your contribution will enable us to prepare curriculum as per industrial requirements.

We solicit your kind cooperation in this endeavor

Yours Sincerely

(Dr. Vinod M. Mohitkar)

Secretary

**M. S. Board of Technical Education
Mumbai - 400 051.**

Note: - For giving suggestions go to "Important Link" section on home page of web site of MSBTE, www.msbte.com
